 AHHA Licensed: Permit  
 Bonits:  
 Stud Fee: \$1200  
 Shipped Semen: Yes  
 Video: Yes

## EVA Status

Tested: Negative  
 2003

## Owners Comments

Several time National Eventing Champion, Cimarron is largely responsible for his deceased sire Columbus [E] being named USEF Leading Sire of Eventing Horses in America. Cimarron is one of only two sons of the Elite Stallion Columbus standing in the US. Cimarron emulates and passes on the tremendous rideability, gaits and jumping aptitude that makes this line through Calypso II and Cor de la Bryère so influential in worldwide competition. In the 3rd generation is Ladykiller, considered the leading jump sire line in the world. There is also Farnese who gave great movement along with jump. A champion dressage horse before he began his eventing career, Cimarron began eventing at the age of 12 and excelled to the FEI level within 2 years being ridden and trained exclusively by an amateur female.
